Note the last ride will be a 3-day ride (Fri- to Sun) to Maine in September still fine tuning. Also, rides will leave from Old School HD unless noted (some rides will leave from Enfield for quicker highway access). Time will be dependent on ride length. Barré Vt was left off the list because people going to Iron Adventure will stop there on the way up. This list and the map located in the HOG loft are there for you if you miss a ride, or if you want to do it yourself.

Enjoy, and have some fun.
